Another Subsection with a header of Chapel Renovation

Include Before and After Photo Gallery – Use original photo and photos to send now.

Kristin- Any text to include here? – I have a PDF from the 125th birthday of the church that lays out the WHOLE boring history of the church. Can/should we just include that?

In April 2016 the LCDR congregation voted to renovate the original chapel so that it could be utilized for more worship and youth activities. Members of the chapel renovation committee are:

Steve Munk
Ron Visser
Wayne Coffaa
Allen Brown
Bill Nelson
Lisa Wilber
Gaylon Trygstad
Pete Torgusen
Dave Bredlow
Sue Bredlow

If you would like to donate to the chapel renovation fund, please contact Office Administrator Nancy Dunn lcdr@siouxvalley.net

Giving/Stewardship Header

Text: The Lutheran Church of Dell Rapids has two funds that need regular giving. One is the general fund for salaries and building maintenance, etc. The other fund is the building mortgage of the new worship building fund that will be retired in 5 years if consistent giving occurs. Please consider designating 5-10% of your regular giving to the building fund and the rest to general fund. Also now members can designate funds to be used to renovate the old chapel.

We also have several other funds that have needs: Chapel Renovation, Missionary Sponsorships, Baptismal Fund, Camp Scholarships, D.R.A.M.A., Youth Group, Graduation Quilts, Faith Chests, and Holiday Food Baskets just to name a few.

Stewardship is also giving of one's time to help with worship and many other opportunities. If you have not filled out a Time & Talents sheet, or would like to update yours, please turn it in to the office so that we can match you up with the committees and areas that interest you!
