Important Update

In light of the CDC's recommendation to not gather in groups of more than ten people, our Church Council has decided to **suspend on-site worship at LCDR for at least the next two weeks**. Your health and well-being, and protection of those who are most vulnerable among us, is our utmost concern.

In its place, we will offer a video recorded worship service that you can participate in at your home, **posted to the church Facebook page each Sunday morning by 10:45 am**. In order to help make this worship service more accessible and meaningful for you we will do these things:

- Keep the length of the service to approximately thirty minutes.
- Post to our website a handout sheet of conversation starters for your family's worship.
- Offer our red ELW hymnals for check out to your home. Please stop by during office hours Tuesday—Friday or Sunday mornings before 10:00 am. We will be using songs from the hymnal during this time so that you can follow and sing along in your homes.
- A resource for HOME COMMUNION is being prepared by the ELCA; we will forward that to you with instructions for your use when it is available.
- For your offering that supports our ongoing ministry, if you are not on Simply Giving please use the slot in the cabinet just inside the front doors which is converted for that use.
- Each week, the sermon will be printed and mailed out (the following week) to anyone who signs up for it and requests that we do so.
