Sharing the Peace

P: The Peace of the Lord be with you.

C: **And also with you.**

God's Holy People Gather for Worship

P: We gather to worship the Lord of our lives: Creator, Redeemer and Spirit of God within us.

We come to praise God: his holy people gathered here, in this holy place.

P: We come to seek God's strength where we are weak, his fulness where we are empty, his healing where we are broken.

(silent confession)

Lord, we have sinned and we daily suffer its consequences. We need your healing and strength. The unholy has crept into our lives, and we need to be filled instead with your presence and power. God, we pray, forgive our sin and make life full again.

P: God forgives our sin and promises his gift of redemption to all who follow him. *** The risen Jesus gives healing to injured lives. By the power of the Holy Spirit this is a new day in which we are made fully new.

Praise God for the gift of new life! Amen.

Prayer of the Day (Saint Francis of Assisi)

Lord, make me an instrument of your peace. Where there is hatred, let us sow love; where there is injury, pardon; where there is discord, union; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy.

Grant that we may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love. For it is in giving that we receive; it is in pardoning that we are pardoned; and it is in dying that we are born to eternal life. Amen.
