HOPE FOR HEARTS Turning Heartache into Hope

Hope for Hearts is a nonprofit founded by Allie and Nick LaFave in honor of their late daughter Hannah. Hope for Hearts is dedicated to raising awareness, providing support, and assisting in funding research for children and families affected by congenital heart defects and transplants. Through compassion and advocacy, we strive to ensure that every heart has a chance to thrive, and no one faces cardiac challenges alone. We honor the resilience of those with heart conditions and their families. Our mission includes educating families about early diagnosis, supporting the entire family unit, and fostering lasting hope for healthier hearts.

Join us for our online silent auction from May 1-8. Learn more at:
