Sharing the Peace

P: The Peace of the Lord be with you.

C: And also with you.

Call to Worship

Let us be called to worship. God has given us the best ways to live.

It is hard to live as God commands.

God's ways bring fullness of life.

We know we should live by God's commands.

We are all God's beloved. God's commandments help us treat each other as beloved.

We are ready to hear God's word and to work together to follow our God.

Confession

Heavenly Father, you have called us into a covenant life with you. Your hospitality invites us to welcome all guests, your justice calls us to gracious fairness, and your forgiveness commands us to forgive. But we confess that we have failed; we have sinned against you and against each other. When you came as our guest, we ignored you. We ignore you still today. We humbly ask you to invite us once again into your presence; strengthen us to keep our part of the covenant.

Words of Assurance

Lord God, hear our prayers, and, my people, hear God's promise to us: "The one who called you is completely dependable." God says that if we confess our sin, he who is faithful and just will forgive us. Your sins are forgiven! Amen.
