Pastor APPRECIATION MONTH

Thank You

FOR YOUR
LEADERSHIP, YOUR
HEART, AND YOUR
FAITHFUL SERVICE!

From the Senior Pastor:

As we finally roll into what feels like fall weather this week, I am reminded that fall ushers in (pun intended) the beginning of the traditional church stewardship season. While “stewardship season” is usually code for “pledge or financial commitment so the church can budget for next year season,” that’s not my first thought as I type here in my office this cool and breezy morning – I will likely get into that topic next month as we launch our annual stewardship appeal.

On my mind today is the definition of this word, “stewardship”. While often used to avoid talking directly about money, it includes so much more than money. We encounter the concept first in Genesis 1, when the first humans were charged with both multiplying and filling the earth AND caring for all that God has created. One of our common offering prayers goes like this: *“Merciful Father, we offer with joy and thanksgiving what you have first given us – our selves, our time, and our possessions – signs of your gracious love. Receive them for the sake of him who offered himself for us, Jesus Christ our Lord. Amen.”* (LBW p. 67)

Stewardship is the act of caring for all that God has provided for us.

Included in this prayer are the three pillars of stewardship – our selves, our time, and our possessions. Two of those three include using the gifts and talents that God has given us – our selves and our time. As I look at the big picture of ministry here at LCDR, these two aspects of stewardship are critical for the ministry that God provides through LCDR for you and for the community – your selves and your time.

Consider this letter the beginning of the fall stewardship appeal which has nothing to do with money, but rather your selves and your time. As a smart person once told me, “Some people have time and talents that they can give and may not be able to provide a lot of financial support. Others may have the financial resources to give a lot of money, but do not have a lot of time to offer in volunteering.” And some of you, thankfully, are able to participate in all three aspects – your selves, your time, and your possessions.

The ministry of LCDR needs the many and various ways that you are able to act as good stewards of all that God has provided you. We have many opportunities for service that help build up the body of Christ and serve your neighbors. In worship, we need scripture readers, communion servers, altar guild members, and ushers. All of these people help make worship run smoothly and share the leadership of worship. We can always put to good use those whose gifts lean toward teaching as the faith formation programs at LCDR continue to grow. Sunday school teachers, High Five! teen and adult leaders, Route 67 adult leaders, and Confirmation small group leaders are all needed to make these programs happen. If you would like to help with any of these, please contact Darcie Kringen for Sunday School, John Pollmann for High Five! and Route 67, and myself for confirmation.

God’s ministry here at LCDR needs you! If you’ve never ushered or read scripture in worship or helped with communion, we will be happy to help you learn! Even if you do not have kids in the faith formation programs, we would love to have you help fulfill the congregation’s baptismal promises of helping our children grow up immersed in the Christian faith.

As one of my favorite Dakota Road songs says, “Everybody has something offer, the young and old, the prince and the pauper.” In this season of stewardship, in what ways are you called and equipped to help with God’s ministry through LCDR as you care for the gifts God has given you in Holy Baptism and respond to God’s love for you in Jesus Christ?

Peace in Christ,

Pastor Willie Rosin

From the Seniors & Intergenerational Minister:

“Gifts”

There's a saying that goes “It takes a village to raise up a child”. It takes many of us to raise someone else's child. We all play an important part in a child's upbringing. There are parents, grandparents, uncle aunts, neighbors, friends, teachers, coaches, pastors, and church family. We are all part of a body that functions to serve.

To be a part of a body is that each part plays an important part. There is the foot, the hand, the ear, the eye, and the nose. The foot is to walk, the hand to hold, touch, the ear to hear, the eye to see, and the nose to smell.

Each one has a function, ability, and talent to be used to serve.

We often refer to the church as the body of Christ. We each have gifts and abilities to function in ways that will glorify God. Each of us has a part to play. We don't have the same talents but the ones we do have can be put to use.

Our church has many opportunities in which you can use you gifts and abilities to glorify God. Each week we are seeking ushers, readers, and communion assistants. If you feel that is not something you want to do, we have our Wednesday programming which involves youth from 5th grade thru 9th grade.

Should you wish to help the church in other ways please see one of our pastors or staff and discuss possibilities.

It takes all of us to make the body of Christ, the church be what it is today. What gifts can you offer.

There's a children's song entitled “What can I give Him”. “What can I give Him, poor as I am? If I were a shepherd, I would bring a lamb; if I were a Wise Man, I would do my part; this I can I give Him: give Him my heart.”

It teaches that the greatest gift to Jesus is your heart,

We all have gifts to offer and let it begin with us.

Peace,
Pastor Sue

SUNDAY SCHOOL

From the Director of Sunday School:

October is here! I love this time of year, the crispness in the air, sweater weather! Now I am digging out the jackets and getting the coats and hats and mittens ready. Man, I don't miss reminding the kids, repeatedly, to bring something warm to wear to school. Speaking of kids, if you didn't catch the recent Facebook post on our site about children in church, I would highly recommend going and reading it. It is spot on, on so many levels. I've got to tell you, and some of you may know (or witnessed), but Sundays were the most stressful day of the week for me as a mom. I brought the kids to church every Sunday, they were not the kids who sat quietly and acting loving to their siblings...nope, not my kids. Now there were some Sundays, they were good, but not many. I tried everything, the snacks, the coloring and activity books, the toys...we even had the busy bags in church (that they would look for the certain ones that had the loud toys in them). However, there was one Sunday when I was just about ready to break down right in the pew, and during offering, a long-time member (mom) came up to me and gave me a big hug and said, "we've all been there, it's okay". That had such a HUGE impact on me. God put her there right at that perfect time to get me through. So, parents, if you're dealing with similar situations, remember, we've all been there, and it's okay! (And I do miss having my kids in the pew with me now.) Have a wonderful and blessed October!

LUTHERAN CHURCH OF DELL RAPIDS
CONGREGATIONAL COUNCIL MEETING MINUTES
SEPTEMBER 16, 2026

Attending: Zach Rogen, Dane Stone, Kathleen Bongers, Sue Bredlow, Bob Harms, Steve Munk, Regan Small, Lisa Wilber, Scott Zellmer, Jackson Peppel, Pastor Willie Rosin, Pastor Sue Grinde

Call to Order: President Zach called the meeting to order at 7:02 p.m

Opening Devotions: Pastor Willie led devotions with a selection from Luther's Daily Devotions regarding scripture about how the last will be first and the first will be last.

Adoption of Agenda: It was discussed that the council only business will be done after the meeting rather than as part of the meeting. Steve made a motion to adopt the amended agenda; seconded by Dane. All members voting yes; motion carried.

Consent Agenda: All reports have previously been made available to members. Bob made a motion to approve the consent agenda (committee reports and August minutes) seconded by Lisa. All members voting yes; motion carried.

Committee Reports: **Education** - The committee reviewed Sunday school class sizes, everything is going well. The group reviewed Rally Day and made a note next year to have 3-4 people to get the grill down to the park. Upcoming events are confirmation reception, Pastor Appreciation, Goodies with Grandparents, and Christmas decorations. We need to start thinking of people to join the committee as we will need three new members. **Property** - Plans are coming together to pour cement for the bike rack and the current garbage bins or for a potential dumpster bin if needed in the future. We have received a bid to stripe and seal the parking lot and deal with some issues. Landscaping maintenance has involved hand pulling and treating for weed control in the landscaping, side walk and parking lot cracks. Tree trimming will be done in the near future. J & P Roofing was contacted about some water leaks. They went over a plan for a fix which was implemented by church members. We have had no more leaks, even after a heavy rain. For liability reasons, we are working on signs to be posted at the entry points of the parking lot. A bid to rekey the doors has been received. The Safe and Secure security company reviewed the program we have and we are able to maintain the entrance notice part of the program at no cost. The committee is obtaining bids from fire extinguisher inspection companies. A new door scraper was installed on the bottom of the west main church entrance door. The Adam L. Thompson Foundation has been contacted to see if they are willing to work with us in replacing our current AED unit. They are in the process of doing so but many of the supplier products are on backorder. All the floor coverings (carpet and vinyl tile) in the lower level and the south stair well step covering have been installed. There are some issues with the wall trim and we have been assured that the process to address the issue is in place but it will take time to complete before the project can be completed. The drop ceiling has been completed. The donated 2x4 foot light fixtures have been picked up for installation. The installation will be done by church members. All the ceilings in

the lower level have been painted and all furnishings for Sunday School or items for storage have been moved into the rooms in time for the start of Sunday School. Painting will now move to the upper level. Bids for the sound boards to be used on the ceilings in the Fellowship Hall (to cover the old AC unit hole after painting has been completed) have been received. Stewardship - No report at this time. **Worship** - Praise band and choir are again practicing and are planning their schedules. There was one service on Labor Day weekend. The funeral for Sidney Sheggeby was on the 12th. Confirmation was held on the 13th. We are back to our normal two services on Sundays. The Symens/Baker wedding is on the 26th. Third graders will be receiving bibles on the 27th. On October 4th, nursery students will receive bibles and the nursery through kindergarten will be singing. October 25th is Reformation Sunday and also Pastor Appreciation Sunday and the first through fifth graders will sing. **Youth/Family Ministry, Fellowship/Community Outreach, Technology** - No reports at this time.

Member Actions: Baptism of Luly, Alexa, Enry and Kenzly Evans. Affirmation of Baptism/confirmation by Jason BeBout, Teagyn Burggraff, Easton Davis, Camden Jones, Haiden Kaffar, Cooper Lanning, Blake Lebahn, Gavin Lebahn, Kason Lebahn, Kendal Mergen, Olivia Moke, Elijah Pavlis, Londyn Pederson, Lucas Peppel, Miles Pollmann, Isaac Ryks, Tristan Smith, Hudson Toennies, Makenna Wilber, Liam Zellmer, and Aspen Zweifel.

Treasurer's Report: Dane reviewed the treasurer's report. There are a few pending bills. Along with thankofferings we had rental income from the special election. There have been some maintenance issues. There were some questions and discussion. Lisa made a motion to approve the treasurer's report; seconded by Sue. All members voting yes; motion carried.

Pastors' Report: Pastor Willie reported that fall programming is working well. Stewardship plans are coming along with a theme of "Building on Faith, Growing in Fellowship". Rally Day was fantastic. Confirmation was excellent. Many thanks to John and Arrielle. He explained the new web based phone system that is being installed. Arrielle has been working with Workplace IT on this. There will be one base unit with two lines, one of which would connect with Pastor Willie's cell phone. If someone calls the office and there is no one at the office to answer, it will transfer to Pastor Willie's cell phone. Looking ahead to budget planning, he suggested that Arrielle's hours be increased to 40 hours per week. She has been working extra hours and trying to comp them out. She has had a lot of duties added and to try and complete everything within 32 hours a week is unrealistic. Ministry continues and there is another wedding coming up. Pastor Willie attended the Fall Theological conference in Custer. He plans to attend the pastor's luncheon with the Moth Radio Hour. His calendar is busy for the next month. We got two quotes for church insurance with equal coverage and we are going with Church Mutual due to a better price.

Pastor Sue reported that Young at Heart will have a potluck on Sunday. Bible study will be done at the nursing home. Worship there will be on the 29th. She is assisting as a group leader for confirmation. She has continuing education from October 9 to 12. Home and hospital visits continue. She really enjoys the connections between school and church with the youth. She is

planning something similar to "surviving the holidays" for December 6. This will be not only for those who were involved in grief share but for anyone who would like to participate. She really liked being part of the confirmation service.

New Business:

Ceiling and Flooring Appeal - Steve spoke about putting a cement pad outside the northeast door for garbage bins and a bike rack. We have a bid for that of \$2,200.00 plus tax. The current situation with the garbage bins is dangerous due to deteriorating wood. The cement pad would have a different placement from the current garbage area. Would this project be tied in with the stewardship appeal? The appeal is for the asbestos renovation but also building/campus maintenance. The current handicap spots would be moved closer to the main door. We also have a parking lot bid to seal coat, do new striping, dig out cracks and re fill, sunken area repaired and repaving for \$14,418.28. Pastor Willie made a motion to approve the Level Perfect concrete bid of \$2,200 plus tax using funds from the Building on Faith stewardship appeal. He then amended the motion that the amount not exceed \$2,300.00. Motion was seconded by Jackson. All members voting yes; motion carried. The parking lot issue will be tabled in order to gather more information. There was discussion about the stewardship appeal. Bob reviewed the stewardship appeal and the pamphlets and logo that they are currently considering. Examples were provided to council members. The idea is to have lots of people contributing with reasonable amounts and spread it out over two payments. . Council members checked it out. Ideas were discussed. HVAC Program Controls Update/Howe bid - Howe P& H could reprogram the system controls over 5 years to a commercial version of wifi indoor thermostat. The first section to do would be the offices and entryway. The existing control unit would be disposed of and new thermostat installed. Equipment would run to around \$1900. This would be the first step to separate from the Trane control system. This project would likely be pushed off to next year.

Executive Session: There was no executive session.

Announcements: Next meeting date: October 21, 2026 at 7 p.m.
Committee reports are due by noon on
Monday October 19

Adjournment: Jackson made a motion to adjourn; seconded by Dane. All members voting yes; motion carried. The meeting adjourned at 8:42 p.m. with the Lord's Prayer
